Even if portions of commercial forestland are contiguous only at a point, the privilege of hunting and fishing shall not be denied for any portion of the land as provided in section 51113. The existence of a public or private road, a railroad, or a utility right-of-way that separates any part of the land does not make the land noncontiguous.

(2) To be eligible for determination as a commercial forest, forestland shall be capable of all of the following:

- (a) Producing not less than 20 cubic feet per acre per year of forest growth upon maturity.
- (b) Producing tree species that have economic or commercial value.

(3) An application for classification as commercial forest shall be submitted on a form prescribed by the department. (b) A legal description and the amount of acreage considered for determination as a commercial forest.

(c) A statement certifying that a forest management plan covering the forestland has been prepared and is in effect.

(d) A statement certifying that the owner of the forestland owns the timber rights to the timber standing on the forestland.

(4) The department shall prepare and distribute to any person desiring to apply for classification of forestland as commercial forest under this part a brochure that lists and explains, in simple, nontechnical terms, all of the following:

(6) If an applicant is unable to secure the services of a registered forester or a natural resources professional to prepare a forest management plan, the department upon request shall prepare the forest management plan on behalf of the owner of the forestland and charge the owner a forest management plan fee not to exceed the actual cost of preparing the forest management plan.

(7) After an owner certifies to the department that a forest management plan has been prepared and is in effect, a violation of that forest management plan is a violation of this part.

The hearing shall be held in the county where the land is located not later than November 1 following receipt of the application. Applications offering lands in the same county may be heard on the same day and at the same place. The department shall publish a notice of hearing and a list of the legal descriptions of lands being considered for determination as commercial forests in a newspaper of general circulation in the county in which the land is located. The notice of hearing shall be published at least 20 days before the date of the hearing. At the time of publication, the department shall provide a copy of the notice of hearing and a list of descriptions of land in each township to be considered for determination as a commercial forest to each township supervisor in whose township the lands are located. Any person who wishes may testify as to eligibility for determination as a commercial forest of any of the described lands. The hearing shall be conducted by the department.

(2) After the hearing, if the department determines that the applicant and forestland meet the requirements of this part and determines that all valid taxes assessed against that forestland have been paid, the department shall approve the application. Upon approval of the application, the department shall immediately record a listing certificate in the register of deeds office in the county in which the land is located with the department

Sec. 51118. (1) Except as provided in this section, changes in the terms, fees, taxes, or other provisions of this part apply to all forestlands that are commercial forests when the changes take effect.

(2) An owner, without penalty or payment of the withdrawal application fee pursuant to section 51108, may withdraw commercial forestland from the operation of this part if any change in the terms, fees, taxes, or other provisions of this part materially increases the burden on the owner. However, if an owner elects to withdraw his or her commercial forestlands under this subsection, the owner shall pay a fee for each acre withdrawn equal to the product of the current average ad valorem property tax per acre on timber cutover real property within the township in which the commercial forestland is located, as determined by the township assessor, multiplied by 5. If the township in which the commercial forestland is located does not contain any real property classified as timber cutover real property under the general property tax act, Act No. 206 of the Public Acts of 1893, being sections 211.1 to 211.157 of the Michigan Compiled Laws, then 1 of the following applies:

(a) If there is timber cutover real property located within the county in which the commercial forestland is located, the per acre average of the ad valorem property tax for all timber cutover real property located in the county in which the commercial forestland is located shall be used in calculating the penalty under this subsection.

(b) If there is no timber cutover real property located within the county in which the commercial forestland is located, the per acre average of the ad valorem property tax for all timber cutover real property in townships contiguous to the county in which the commercial forestland is located shall be used in calculating the penalty under this subsection.

(3) The fee described in subsection (2) shall not exceed \$100,000.00. The owner shall pay the fee described in subsection (2) before withdrawal.

(4) The owner may not withdraw commercial forestland under this section unless he or she makes application to do so within 1 year after the changes take effect. If an owner elects to withdraw commercial forestlands under this section, he or she shall withdraw all the commercial forestlands owned by him or her at the time of withdrawal.

(5) If an application to withdraw commercial forestlands under subsection (2) is initiated by an owner or by the department before changes in terms, fees, taxes, or other provisions of this part or former Act No. 94 of the Public Acts of 1925 become effective, the owner shall pay the stumpage fees, other fees, taxes, and penalties, if any, in the same manner and at the same rates as were in effect when the application was filed.

(6) The department shall remit the fees paid pursuant to this section to the township treasurer. Except as provided in section 51109(2), all fees remitted to the township treasurer under this section shall be distributed by the township treasurer in the same proportions to the various funds as the ad valorem general property tax is allocated in the township.
